

Great Ouse Valley Trust  
*Our landscape for life*

BECOME A  
**SUPPORTER**

***If you care about our beautiful Valley and would like to get involved to help us secure its future, then the Great Ouse Valley Trust would love to hear from you. Check overleaf to find out more.***

# Your valley needs you!

**Who are we?** The Great Ouse Valley Trust (GOVT) was formed in 2018 to fulfil the need to protect, promote and enhance the special landscape of the Great Ouse Valley for the benefit of all. We are an enthusiastic group of volunteer Trustees who mean business. Our projects are many and various and our ambition is great.

**How your support can help** We need people like you to help us with practical projects such as tree planting, path clearing and litter picking. We need people who might be good letter writers, or just happy to sign a petition, and we need eyes and ears on the ground to see and hear what is going on in your patch. From time to time we might ask for financial support, or for feedback. Most importantly we would like to add you to a list of other like-minded people who also show they care. Many funders want to see the local community being involved and, for grant applications, we have to demonstrate that people in Cambridgeshire really *do* cherish their local river and valley.

**The benefits** You will be joining a community of people who all love the landscape in which we live. We will keep you up to date with news and views, and our work, by sending you electronic copies of *The Valley*, our newsletter. You will receive invitations to our events and talks where you can meet and chat with experts. For some volunteers it will be an opportunity to learn a new skill and be part of a team working outdoors. You will receive a warm welcome as a Supporter!

**Interested?** Please use the website SUPPORT US link from the Home page to sign up with us.
